CHURCH PARKING LOT

The cost of repaving was \$135,000.00.

Unfortunately our current financial situation does not allow us to cover the entire cost. The Parish Finance Council and Fr. George have agreed and we have asked Archdiocese for a loan of \$142,000.00 due to the fact that we have an outstanding payment to the Archdiocese regarding the church assessment and the cost of the repaving of the parking lot.

We would like to request that you continue using the blue donation envelopes that are available in the vestibule and the parish office. As we have to pay back the loan to the Archdiocese, the council has decided that in 2020, a *weekly blue church maintenance envelope* will be included in the box set of donation envelopes. We would greatly appreciate your assistance and support in this matter. In addition to our weekly blue church maintenance envelopes, we will be also looking at other fundraisers to help pay off the loan. Thank you for generously supporting our parish community.

~*~

We have collected a total of \$78,918.00 towards our 2019 parish campaign goal of \$78,600.00.

We are very appreciative of your kindness, support and donation.
Thank you!
