RE: HOLY LAND TRIP

New Euthanasia Legislation
Introduced in Canada
It's Time To Act
Contact your MP Today!

Legislation to expand euthanasia in our country has been introduced. If passed, those eligible for euthanasia would include those without a terminal illness, including Canadians with disabilities. Doctors may also be forced to "sign off" on euthanasia for the patients they have been treating for years. Dementia patients who signed a "directive" 10 years ago may now have someone else determine when they will die. Every life has value – visit www.helptheliving.ca to send a letter (prepared for you) to your Member of Parliament. The process takes less than 5 minutes.

More information can also be found at: www.archtoronto.org/euthanasia.

We continue to pray and advocate for the vulnerable among us.
